DEFENDANTS' FEBRUARY 8, 2019, REPORT TO THE COURT

Pursuant to the Court's Order (ECF No. 232), Defendants United States Department of Homeland Security, *et al.*, respectfully submit the enclosed report¹, detailing the *Nio* class members':

- a. Enlistment Date
- b. Naturalization Application Filing Date²
- c. "Special Processing" Investigation Screening Completion Date³
- d. MSSD Completion Date (blank if pending)

¹ The redacted report is attached to this filing. Additionally, a secure unredacted excel version of the report has been sent to Chambers and Plaintiffs' counsel (*see* ECF No. 232 at 3-4). The USCIS data is current as of February 7, 2019. The DoD data is current as of January 25, 2019. *See* Exhibit A, Summary of Statistics.

² In some cases, the spreadsheet notes multiple N-400 receipt dates. *See* Exhibit B, February 8, 2019, Report. This means that the specific class member filed multiple N-400s. Accordingly, the spreadsheet details the information on these multiple applications.

³ Based on the layout of the chart provided in Appendix A of the Court's Order (ECF No. 232 at 4), Defendants read the Court's order as requesting one date: the date in which the latest "Special Processing" phase was completed and the case became "CAF adjudication ready." DoD only tracks the NIAC completion date and the CI screening completion date.

- e. MSSD Result (suitable/unsuitable/pending)
- f. Naturalization Interview Scheduled? (yes/no)
- g. Naturalization Interview Completed? (yes/no)
- h. Naturalization Interview Date (blank if not scheduled)
- i. Naturalization Case Status (approved/denied/withdrawn/pending)
- j. Naturalization Date (blank if not naturalized)
- k. Effective Discharge Date (blank if not discharged);
- 1. Discharge Revoked? (yes/no)
- m. Offered Reinstatement Pursuant to Oct. 26, 2018 Memo? (yes/no/will be)
- n. Discharge Due to Unsuitable MSSD? (yes/no/blank if not discharged)
- o. Separation Code (blank if not separated).⁴

Approximately 1,033 former Nio class members who are now United States citizens. *See* Ex. A. The spreadsheet reflects that there are approximately 590 *Nio* class members for whom an MSSD remain pending. *See* Ex. B, Column K.

Since the December 13, 2018, (ECF No. 224)⁵:

- a. 187 Nio class members have naturalized (see Ex. A) and;
- b. 106 have received an MSSD determination uploaded to the shared portal with USCIS. *Id.*

⁴ A key that defines the separation codes used in the report has been attached as Exhibit C.

⁵ The data provided by USCIS in the December 13, 2018, report was current as of November 27, 2018 (ECF No. 224, n.1).
