Civil Action No. 18-1551 (ESH)

**DEFENDANTS' RESPONSE TO PLAINTIFFS' NOTICE CONCERNING
DEFENDANTS' MAY 28, 2019 STATUS REPORT**

Pursuant to the Court's minute order entered on June 3, 2019, Defendants the Department of the Army ("Army") and the Secretary of the Army Dr. Mark T. Esper (collectively, "Defendants"), by and through counsel, respectfully submit this Response to Plaintiffs' Notice Concerning Defendants' May 28, 2019 Status Report (ECF No. 98).

I. INTRODUCTION

On May 30, 2019, Plaintiffs filed a Notice Concerning Defendants' May 28, 2019 Status Report (ECF No. 98) (the "Notice"). The Notice contains Plaintiffs' counsels' alleged concerns and speculation as to the Army's motives in issuing a Voluntary Waiver of Notification of Adverse MSSR Memorandum ("Waiver Memo") to certain MAVNI recruits and unsubstantiated claims that the Army is engaging in a "concerted and deceptive effort" and "campaign" to coerce MAVNIs to waive their rights in this litigation. Notice (ECF No. 98) at 1. The Army is not engaged in any such effort. *See* Ex. A (Declaration of Lin St. Clair ("St. Clair Dec.") (June 14, 2019)).

The Army has taken steps to ensure that the Waiver Memo is not sent to MAVNI recruits in an unauthorized manner or for an unauthorized purpose. On May 31, 2019, USAREC

Headquarters informed all Recruiting Battalions that sending the Waiver Memo is not authorized. Ex. A (St. Clair Dec.) ¶ 4.g. In addition, the Army has taken steps to ensure that no one in the Army contacts the named plaintiffs regarding any issues in this case. As of June 12, 2019, USAREC directed all recruiting stations connected with the named plaintiffs to not contact the named plaintiffs until June 25, 2019, at the soonest (*i.e.*, until the day after the status conference scheduled on June 24, 2019), so that Defendants could seek clarification from the Court regarding what contact with the named plaintiffs is authorized. Defendants' request for clarification is set forth in Section II, *infra*.

II. RESPONSE

In response to the Court's questions, Defendants respectfully submit the attached declaration of Mr. Lin St. Clair, Assistant Deputy for Recruiting, Office of the Assistant Secretary of the Army for Manpower and Reserve Affairs. *See* Ex. A (St. Clair Dec.). Defendants further respond to Plaintiffs' Notice below. In addition, Defendants seek clarification relative to the issue of contact with the named plaintiffs in this case.

Plaintiffs claim they submitted the Notice "concerning Defendants' May 28, 2019 Status Report" and requested the Court "direct Defendants to provide an updated report forthwith." Notice (ECF No. 98) at 2. Plaintiffs' implication is that Defendants are misleading the Court and conducting a surreptitious campaign to remove MAVNIs from the Army without regard to the October 26, 2018 policy that the Army itself put in place. Plaintiffs' claims are unfounded and unfair.

First, the Court's August 13, 2018 Order (ECF No. 23) regarding bi-weekly reporting provides that "defendants shall file status reports with the Court bi-weekly . . . with any updates regarding the Army's policy with respect to administrative separation procedures applicable to

DEP and DTP members, as well as any intention to discharge any DEP or DTP member in accordance with this policy.” Order (ECF No. 23) at 2. The Court’s order would not, of course, require Defendants to provide updates about a non-existent “concerted effort” or “Army campaign” to coerce MAVNIs to waive their rights with regard to the MSSR/MSSD process.

Second, there is (and has been) no “concerted and deceptive effort” or “Army Campaign” to induce MAVNIs to waive their rights. Instead, one Army recruiter in the New England Recruiting Battalion sent, without proper authorization or signature, Waiver Memos to thirteen MAVNI recruits. In addition, named plaintiff Tounde Djohi’s recruiter gave him a copy of the Waiver Memo during an in-person meeting. *See* Ex. A (St. Clair Dec.) ¶ 3. As noted in the attached declaration, the Army has directed all recruiters to cease sending the Waiver Memos to MAVNIs because the waivers the recruiters were sending were not authorized to be sent by the proper authority. *Id.* The facts that the memos were unsigned, not addressed to an individual, and contained a point of contact who had moved to another Army position, all show that the Waiver Memos the recruiters sent were not properly authorized. Further, the Army has ordered recruiters to not contact any of the named plaintiffs in this matter for any reason until Defendants can obtain clarification from the Court.

Third, Plaintiffs’ fail to provide any factual support for their claim that the Defendants “commenced a concerted and deceptive effort to induce soldiers . . . to waive their rights to obtain the notice.” Notice (ECF No. 98) at 2. Plaintiffs base their claim of an “Army campaign” on a paucity of “facts,” which number only four:

- A MAVNI received an unsigned waiver memo dated May 21, 2019. *See id.* at 2-3 ¶ 4 and Ex. 1 (ECF No. 98-1).
- The unnamed MAVNI did not request a waiver or indicate a desire to waive his rights. *Id.*

- Several additional (unnamed) MAVNIs received the waiver memo, including someone who received the Memo after May 25. *Id.* at 4 ¶ 7.
- On May 29, 2019, Plaintiff Lucas Calixto received a waiver memo. *Id.* at 4 ¶ 8.

Plaintiffs are allegedly concerned about the “widespread” distribution of the memo, but fail to provide any factual support for their claim that the Waiver Memo was distributed on a “widespread” basis. They failed to provide any support because none exists. Instead, one Army recruiter in the New England Recruiting Battalion sent, without proper authorization or signature, Waiver Memos to thirteen MAVNI recruits. Ex. A (St. Clair Dec.) ¶ 3. One other recruiter provided a copy of the Waiver Memo to Plaintiff Tounde Djohi during an in-person meeting. *Id.* In sum, Plaintiffs’ Notice and the unsubstantiated claims therein are unfounded and unfair.

III. REQUEST FOR CLARIFICATION

On June 3, 2019 the Court held a conference call during which the Court stated that the Army is not supposed to contact the named plaintiffs. Defendants respectfully request clarification on the following matters:

1. Defendants seek clarification as to whether anyone in the Army (including recruiters) may contact any of the named plaintiffs. The need for clarification arises from e-mails sent from Plaintiffs’ counsel to Defendants’ counsel at the end of May and beginning of June, but specifically on June 7 and June 10, 2019. In those e-mails Plaintiffs’ counsel claims that Army personnel contacted an (again, unnamed) named plaintiff, “unsolicited, questioning whether the soldier wanted to drop out of the [MAVNI] program due to an unfavorable MSSD.” In an e-mail dated June 10, 2019, Plaintiffs’ counsel continued this narrative stating that “[t]he recruiter communication described below was via an unsolicited phone call rather than through receipt of the MSSR Waiver Memo.” On the basis of this one alleged incident, Plaintiffs’

counsel expressed concern “that the Army is still engaged in some underlying waiver effort, but in a manner that would escape reporting and scrutiny.” Plaintiffs insisted they needed to know what steps the Army took (modifying that to “concrete steps” later in the e-mail) to address the issue.

Upon further investigation¹ it became clear that Plaintiffs’ counsel mischaracterized the communication between the recruiter and the MAVNI, whom the Defendants were able to identify as Plaintiff Emeka Udeigwe. Defendants’ counsel sought information from the Army regarding what happened during this alleged wrongful communication. The Army learned that the recruiter did contact Plaintiff Udeigwe on June 6 to discuss his future in the Army. The impetus for the call was that Plaintiff Udeigwe, after being naturalized as a United States citizen, began discussing with his recruiters the possibility of leaving the MAVNI program and joining the Army Medical Department (“AMEDD”). In order to move to AMEDD, Plaintiff Udeigwe would have to be classified as a “loss” in the Future Soldier MAVNI program. The recruiter contacted him on June 6 on this basis, completely unrelated to anything that was transpiring relative to the “Waiver Memo.” The recruiter was not aware of this lawsuit or that Mr. Udeigwe is a named plaintiff. He did not contact Mr. Udeigwe to attempt to get him to “waive his rights” or to “drop out of the [MAVNI] program due to an unfavorable MSSD.” Because Mr. Udeigwe received a favorable MSSD on November 6, 2018, *see* St. Clair Dec. (Apr. 22, 2019) (ECF No. 89-2) ¶ 15, it would be illogical for anyone to contact him in an attempt to get him to “drop out of the [MAVNI] program due to an unfavorable MSSD.”

¹ Despite Defendants’ counsel’s request for additional information to facilitate inquiry into this matter, Plaintiffs’ counsel refused to identify Plaintiff Udeigwe as the individual concerned.

This contact between the recruiter and Plaintiff Udeigwe, including earlier communications regarding his interest in possibly leaving the MAVNI program, are corroborated in the attached contact logs.² Ex. B (Recruiter Contact Logs). Because Plaintiffs deemed this communication improper (prior to having all of the information), Defendants ordered that recruiters have no contact with any of the named plaintiffs until Defendants could seek clarification from the Court. If Defendants (including recruiters) are not able to contact their MAVNI recruits, MAVNIs such as Plaintiff Udeigwe will not have the opportunity to discuss options for their military careers.³

Defendants therefore seek clarification as to whether anyone in the Army (including recruiters) may contact a named plaintiff for any reason, and if so, what are the authorized reasons for contacting a named plaintiff.

2. In accordance with the Army's October 26, 2018 policy, should a MAVNI recruit receive an unfavorable MSSD, separation must be initiated pursuant to paragraph 4 of the policy. *See* Policy Memo (ECF No. 50-1). Paragraph 4 provides that members of the DEP will be processed for separation under the provisions of Army Regulation ("AR") 135-178, chapter 14-5(c). Members of the DTP will be processed for separation under the provisions of chapter 13. Both of these provisions require that the notification procedure outlined in AR 135-178,

² The attached contact log indicates that Plaintiff Udeigwe is "[c]oming in to talk about his options on Friday the 14th." In accordance with the "no contact" order given to recruiters relative to the named plaintiffs, this meeting was cancelled. Plaintiff Udeigwe therefore is currently unable to discuss with his recruiter options for his future Army career, including a possible transfer to AMEDD.

³ Plaintiffs have accused Army recruiters of misrepresentations to MAVNIs and of attempting to coerce MAVNIs into waiving their rights. The contact logs between recruiters and MAVNIs tell a different story. The logs indicate the recruiters' attempts to retain the MAVNIs in the Army, as good recruiters would do. Plaintiffs' accusations are an affront to Army recruiters and diminishes the essential work they do to keep this country safe.

chapter 3, Section II, be used to advise the recruit of the basis of the separation, the least favorable characterization of service or description of service she could receive, the right to obtain copies of documents that support the basis of the proposed separation, the recruit's right to submit statements, the recruit's right to consult with military legal counsel, and:

the recruit's right to waive these rights in writing after being afforded a reasonable opportunity to consult with counsel, and that failure to respond within 30 calendar days from the date of receipt of the notice will constitute a waiver of the right.

AR 135-178 ¶ 3-5 (emphasis added) (Ref. 2 to Defs.' Sur-reply Mem. (ECF No. 101-3)); *see also id.* at Figure 3-2, subparagraph g.

Based on the language in the required notification memorandum, which includes a waiver of rights provision, Defendants are concerned that simply sending the notification memorandum to the named plaintiffs (as required by the October 26, 2018 policy should the Army initiate separation) would run afoul of the Court's directive. On the other hand, Defendants' failure to provide the notification could lead to accusations that Defendants are failing to follow their own policy and its required procedures. Obviously, either way is problematic.

Defendants therefore seek clarification from the Court as to whether anyone in the Army may contact the named plaintiffs to provide the separation notification memorandum required by the October 26, 2018 policy memorandum and AR 135-178.

CONCLUSION

For the reasons stated above, Defendants respectfully request that the Court issue clear guidance on how and when anyone in the Army may contact the named Plaintiffs, if at all.

DECLARATION OF LIN H. ST. CLAIR

Pursuant to 28 U.S.C. § 1746, I hereby declare as follows:

1. I make this declaration in response to the Court’s Order of June 3, 2019. This Declaration responds to the Court’s inquiries regarding (1) details regarding what categories of soldiers the “Voluntary Waiver of Notification of Adverse MSSR” memo was distributed to; (2) how many soldiers were sent this “Voluntary Waiver of Notification of Adverse MSSR” memo, (3) which specific named plaintiffs were sent the Memo, (4) the number of soldiers who responded to the Memo electing to waive, (5) the number of soldiers who responded declining to waive, (6) the time period during which the Memos were sent, and (7) whether the government has stopped this practice of sending Voluntary Waiver of Notification of Adverse MSSR memos. Minute Order, June, 3, 2019.

2. I am currently the Assistant Deputy for Recruiting, Office of the Assistant Secretary of the Army (Manpower & Reserve Affairs). In this capacity, I am responsible for serving as the Senior Advisor on all matters relating to military accessions and retention for the Assistant Secretary of the Army for Manpower and Reserve Affairs, the Principal Deputy, and

the Deputy Assistant Secretary of the Army for Military Personnel. I have oversight responsibilities for the Army's officer and enlisted accessions and retention programs across all components. In this capacity, I serve as the action officer oversight for non-citizen recruiting (MAVNI and Lawful Permanent Residents). I have previously submitted declarations in this case. *See* ECF No. 22-1; ECF No. 24-1, ECF No. 48.

3. Copies of an unauthorized version of the "Voluntary Waiver of Notification of Adverse MSSR" or Waiver Memo were distributed by one recruiter to 13 recruits between on or about May 21, 2019 and on or about May 31, 2019. The recruiter distributed the Voluntary Waiver of Notification of Adverse MSSR Memos without proper signature (or any signature at all) or authorization. A Voluntary Waiver of Notification of Adverse MSSR memo was also given, in person, to named plaintiff Tounde Djohi. The Voluntary Waiver of Notification of Adverse MSSR Memos were not distributed as part of an Army effort to coerce MAVNIs to waive their rights. At this time, the Army is not aware that any other recruiters sent the Voluntary Waiver of Notification of Adverse MSSR Memo to MAVNI recruits under their purview. However, because these Voluntary Waiver of Notification of Adverse MSSR Memos were not authorized to be sent, it is possible that other, unauthorized memos were distributed to MAVNI recruits. The Army will update the Court, as necessary, should it find that other memos were sent to MAVNI recruits without authorization.

4. The responses to the Court's inquiries are as follows:

a. Details regarding what categories of soldiers the "Waiver Memo" was distributed to:

One particular recruiter from the New England Recruiting Battalion sent 13 unauthorized Waiver Memos to his recruits. The unauthorized Waiver Memos were sent to recruits who received an Unfavorable MSSR from the DoDCAF. Tounde Djohi, who also received an unfavorable MSSR from

the DoDCAF, was given a copy of the Voluntary Waiver of Notification of Adverse MSSR by his recruiter during an in-person meeting.

- b. How many soldiers were sent this Waiver Memo: 14.
- c. Which specific named plaintiffs were sent the Memo:
 - 1. Lucas Calixto.
 - 2. Tounde Djohi's recruiter gave him a copy of the Waiver Memo during an in-person meeting.
- d. The number of soldiers who responded to the Memo electing to waive:

Zero. One individual who received an unfavorable MSSD elected to waive receipt of the specific information that led to the unfavorable MSSD. This individual was not one of the 14 sent the unauthorized Waiver Memo between May 21 and May 31, 2019; rather, this individual received a signed/authorized memorandum from Army G-1. *See* paragraph 7 below.

- e. The number of soldiers who responded declining to waive:

Zero. No memos have been returned to USAREC HQ, signed or unsigned.

- f. The time period during which the Memos were sent:

Less than 2 weeks; approximately May 21 – May 31, 2019.

- g. Whether the government has stopped this practice of sending Waiver Memos:

Yes, on May 31, 2019 this office instructed USAREC Headquarters to inform all Recruiting Battalions that use of the Voluntary Waiver of Notification of Adverse MSSR Memo was not authorized. Subsequently, USAREC HQ delivered that message to all its Recruiting Battalions on 31 May.

6. The Voluntary Waiver of Notification of Adverse MSSR Memo was created to allow MAVNIs who requested to leave the Army and/or the MAVNI program to elect out of the MSSR notification and rebuttal process, and proceed directly to administrative separation after an unfavorable MSSR was issued. Even if the individual were to request to waive the MSSR notification procedures, such waiver does not result in a waiver of due process procedures afforded under the October 26, 2018 memo or the Army's administrative separation regulation.

7. Between on or about March 2019 – May 2019, USAREC issued authorized Voluntary Waiver of Notification of Adverse MSSR Memos, in accordance with the original intent of the memo (set forth in paragraph 6 above), to fewer than 10 individuals who indicated interest in leaving the MAVNI program. One individual returned the memo to USAREC waiving the MSSR notification process.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on June 14, 2019.

LIN H. ST. CLAIR
